Mission, Philosophy, Standards

Mission

It is the mission of the Junior Lady Knights to provide an exceptional personal development experience through the game of basketball by teaching the values of hard work, accountability, team play, competitiveness, and sportsmanship.

Our goal is to develop fundamentally skilled and talented basketball players who will become future members of the Alter High School Girl's Basketball program. Most importantly, we hope that after our players have moved on from our organization, they will realize lifelong benefits from their experience with Junior Lady Knights.

Mission

The Core Values of the Organization include:

PLAYER DEVELOPMENT - The advancement of individual and team skills of all participants through practice and games is at the core of what we are attempting to accomplish. We will strive to provide as many opportunities to practice and play as is reasonable.

SPORTSMANSHIP - We expect all participants, including players, coaches, and parents to conduct themselves with respect and a positive, constructive attitude toward the game and each other.

ENVIRONMENT - We believe the most important reason young people play sports is to have fun. We will strive to provide a safe and positive environment where all players feel valued and can feel great about their accomplishments.

COMPETITION - We will strive to instill a spirit of healthy competition in our players.

Philosophy

In support of our Mission, our philosophy is to develop players for long-term success by -

- **Providing an open, safe, fun, positive environment for players to learn, develop, and feel good about their individual and collective achievements**
- **Heavily concentrating on the mastery of basic skills - (Tools of the Game)**
- **Teaching of principles and philosophies of the game - (Knowledge of the Game)**
- **Stressing the value and importance of teamwork**
- **Teaching the importance of accountability, how to be held accountable, and how to hold others accountable**
- **Instilling a love of healthy competition**
- **Demonstrating great sportsmanship**

Standards

BEHAVIOR AND ENVIRONMENT - Respectful, Christian, Sportsmanlike behavior is expected at all times, even on social media. Cheer positively for all players, thank the referees and volunteers. Follow Mom's advice - if you don't have something nice to say, don't say it. Misbehavior can result in significant individual consequences.

PLAYING TIME - Playing time is not equal. Discussions of playing time between parents and coaches are strictly prohibited. Players should address questions about playing time directly with their coach.

48 HOUR RULE - If you are upset about anything, you must wait at least 48 hours to contact any coach or board member to discuss it - **RESPECT THE CHAIN OF COMMUNICATION**

NASTYGRAMS - Nastygrams will be politely ignored. We will be happy to discuss any issues you may have. However, you must call or make other arrangement to discuss them.

CONCUSSIONS - We will error on the side of caution. ALWAYS. If your daughter is removed because of a suspected concussion, she will need medical clearance to return to play.

CYO & OTHER ACTIVITIES - Conflicts are to be clearly communicated well in advance with your coach. Be sure you understand what the effects of missed practices and games will be when making decisions about conflicts.

Standards

TIMELINESS - Please do your best to be on time to practice, games, and volunteer responsibilities.

GYM ETIQUETTE -

- **If possible, wait in the hall until the previous team has completed. If not, stay out of the way and quiet during other practice times.**
- **If you are staying, please respect that you should not be speaking while coaches are speaking. Be mindful of siblings.**
- **End on time, and vacate the gym quickly. (Change in the halls.)**
- **Clean up. Leave it better than you found it.**

Being a JLK Family

**Junior Lady
KNIGHTS
BASKETBALL**

Communication

Use The APP!

- **Team Snap is where all the info is.**
- **CHECK FREQUENTLY, things do change, frequently as you might be getting in the car.**

Utilize Resources

- **JLK Website**
- **Team Meetings**
- **Communicate with other parents**

Communication

Tell our story

- **Please tell others of your experience, verbally, social media, anywhere**
- **Share pictures, video, and happenings - social media, via e-mail**

Parent Participation (yes, you signed up for this)

Game Day Duties

- **Gate** - staffing the gate desk at the game prior to your daughters
- **Clock** - Operate the clock during your daughters game
- **Book** - Keep the scorebook during your daughters game

Parent Participation

What you have to do -

- **Sign up for at least your allotted shares. (WAIT until you have gotten the GO email.)**
- **Substitutions and trades are YOUR responsibility.**
- **Communicate any changes**
- **High School age friend siblings are permitted to do these.**
- **PLEASE, NO CELL PHONES AT THE SCORERS TABLE!**

Parent Participation

Accountability

- **Your daughter(s) will be ineligible to play until you have signed up.**
- **Your daughter may miss a game if you are a persistent no-show for work duties.**
